

# Make a Gift of Love to Tomorrow's Animals

A legacy gift in your Will provides a brighter future for the lost, abandoned, injured and neglected animals in our community. It is a lasting gift for the future of Ottawa's animals and the future of our community.

## Your Gift Provides Critical Services to Ottawa's Animals

- Rescue lost, abandoned, neglected and abused animals in our community
- Provide a safe haven for more than 8,000 animals every year
- Perform life-saving medical treatment for animals
- Spay and neuter the animals in our care and in our community
- Give animals a second chance at a new life by adopting them into new and loving homes
- Build compassion and a love and respect for animals in young people and adults through humane education
- Help seniors and others living in institutions defeat loneliness and build self-esteem with animal visits to old age homes, long-term care facilities, homeless and women's shelters, and dozens of other facilities
- Educate and provide leadership in animal welfare to our community to build a brighter future for Ottawa's animals

Create a brighter future for Ottawa's animals by leaving a gift to the OHS in your Will.

It's easy to do.

It will give you a sense of pride and comfort to know that you will continue to make an extraordinary difference in the lives of the animals in our community.

For more information please contact Danielle Tatarski, Manager: Legacy Giving at 613-725-3166 ext. 268 or by email to [legacy@ottawahumane.ca](mailto:legacy@ottawahumane.ca).

# Make a Gift of Love to Tomorrow's Animals

*The OHS has a huge mandate, and sometimes it seems as if people expect everything, at any cost, for all animals even though none of these services are taxpayer-funded. I have high expectations too, but I know that they come at a cost.*

*I feel strongly that one needs to put their money where their mouth is – so that's what I'm doing, while ensuring my pets are looked after through the Pet Stewardship Program and an additional bequest to the OHS in my Will.*

*My pets are part of my family, and after all the love and happiness they bring, the least I can do is take care of my family and support a great organization at the same time.*

—Kim Campbell, OHS Supporter

## How Legacy Gifts have helped the Animals at the Ottawa Humane Society

- Helped to build our shelter at 245 West Hunt Club Road. The shelter provides more room for the animals, an expanded vet clinic and outdoor space for all the animals.
- Purchased life-saving medical equipment so the OHS can provide life-saving care.
- Provided abused and neglected animals the best possible chance for a happy new life with the love and care they deserve.
