

OHS 1888 Legacy Society

Throughout the Ottawa Humane Society’s history, compassionate legacy donors have ensured animals in need receive emergency care when they need it most. Gifts in Wills have been instrumental in building the shelter and purchasing life-saving medical equipment. These gifts provide critical services and ensure a safe future for all the animals in our community.

The name “OHS 1888 Legacy Society” comes from the year the OHS was established and honours our long history “to lead Ottawa in building a humane and compassionate community for all animals.”

The OHS 1888 Legacy Society is a special group of supporters who make this possible through their intention to leave a gift to the animals in their Will. We wish to recognize and thank all supporters who help the animals in this important way.

When you confirm your intention to leave a bequest to the OHS, you automatically become a member of the OHS 1888 Legacy Society. New members are honoured at a reception and receive their legacy pin. You can also choose to have your name appear on the OHS 1888 Legacy Society Donor Wall in the shelter Adoption Gallery.

By filling out this form, and returning it to the Manager: Legacy Giving, you become a member of a select group of caring people who ensure a brighter future for all the animals in our community.

“What we do for ourselves dies with us. What we do for others and the world remains and is immortal.”

—Albert Pine
