

Pet Stewardship Program

Most of us assume that we will outlive our pets. But what if you are the one who becomes ill or incapacitated or dies first? The Pet Stewardship Program ensures that upon your death or inability to care for your pets, your companion animals will find loving homes that are best suited to their needs and lifestyle.

The Pet Stewardship Program allows you to provide for your pet's future and you gain peace of mind knowing that everything will be looked after according to your wishes.

Pet Stewardship Program Overview

- You sign an agreement with the OHS
- You provide care information on your pet(s)
- You bequeath your pet(s) to the OHS
- If you predecease your pet(s) or become incapacitated, the OHS takes immediate custody and places your pet(s) in foster care
- A permanent caregiver is found
- Monitoring visits are arranged
- Medical care is arranged for the lifetime of your pet
